The same
Owl-d story

Mon. 19, 1915 May

Dear Cousins:-

The folks were out yesterday for duck dinner. It was Hazel's first trip.

Rena has another $9\frac{1}{2}$ lb baby girl born Sun morning between 3 and 4 o'clock. Both are doing nicely.

They wanted a boy but I don't suppose they would trade with anyone since it is a girl. All are well here. With best wishes
Hattie.
